www.thettsummit.com

The National Tourism Transportation Summit, now in its 10th year, is an occasion for key decision-makers in the tourism and transportation value chain to come together and discuss key issues to help drive the industry forward. It is also an opportunity to work with the relevant industry associations, key players, companies, organisations, parastatals, agencies and ministries. It is rated as the"foremost" gathering in terms of both content and networking for combined tourism and transportation, the event has typically provided a space to discuss important topics based on new and developing paths towards the future.

It is an annual tourism and transportation industries combined event created to strengthen synergies and promote economic and sustainable development of both industries and allied sectors. It is a gathering of senior executives, decision makers, associations that offers you a unique opportunity to meet with international regulatory and policy setting bodies, embassies, regulators, decision makers, influencers, specifiers, employers and investors to showcase and market your services and products to relevant and highly engaged delegates covering Aviation, Maritimes, Railways, Airport Operators, Road Transportation, National and International Travel communities, tourism and hospitality ecosystem.

There is an opportunity for everyone, organizations, associations, ministries, agencies and companies, to attend, exhibit and sponsor to maximize the event's potential to benefits.

Sincerely,
Chief Abiodun Odusanwo, FITPN
Chairman, Main Organizing Committee NTTS2027
